VIRTUAL CONGRESS & EXHIBITION

Developing the Powder Metallurgy Future

Europe's annual powder metallurgy Virtual Congress & Exhibition will be taking place online 18 – 22 October 2021. Euro PM2021 which is organised by the European Powder Metallurgy Association, attracts industry leaders, decision-makers, respected academics and PM related companies and personnel from across the supply chain. Conducted online for the second time, Euro PM2021 Virtual Congress is set to feature a world class technical programme which will define the latest developments in Powder Metallurgy (PM) over five full days of technical presentations, special interest seminars and exhibition.

Why you Should Attend Euro PM2021 Congress & Exhibition

The Euro PM2021 Exhibition, held Monday to Friday, represents the entire PM supply chain and contains a busy exhibition area representing all PM related industrial sectors, companies from raw material suppliers, furnace equipment manufacturers and tooling producers, who will be available to discuss new and potential business opportunities with delegates and exhibition visitors alike.

Technical Programme

The programme of plenary, keynote, oral and poster presentations will focus on all aspects of PM:

- Powder Production
- Consolidation Technologies
- Materials
- Applications
- Tools for improving PM

If you are interested to submit an abstract to Euro PM2021 Congress & Exhibition, the Call for Papers will be going out in **November 2020**, with all abstract's due on or before **20 January 2021**.

Exhibition

The ideal networking opportunity for suppliers, producers and end users, the Euro PM2021 Exhibition is the one event you need to attend.

More information about virtual exhibition will be available soon on our Virtual Congress & Exhibition website: www.europm2021.com/exhibition
Exhibition stands are sold on a first come, first served basis and subject to availability.
